

To Whom It May Concern:

Per your request, we are providing the following LEED material data regarding our Autoflex™ structural laminate drywall corners:

▪ Products

Paper

- Credit Form 4.1: 0% Post Consumer
- Credit Form 4.2: 0% Post Industrial
- Credit Form 5.1: Seattle, WA
- Credit Form 5.2: Brazil, South America

Plastic

- Polyethelene Terephthalate (PET)
- Credit Form 4.1: 0% Post Consumer
- Credit Form 4.2: 0% Post Industrial
- Unlike PVC drywall trims which contain chlorine, Autoflex™ corners contain no halogenated materials.
- Recyclable, does not emit volatile organic content.

Manufacturer

Structus Building Technologies
20870 Redside Court
Bend, Oregon 97701
USA

Please let us know if you need further information.

Sincerely,

Tracey Wright
Structus Building Technologies, Inc.
